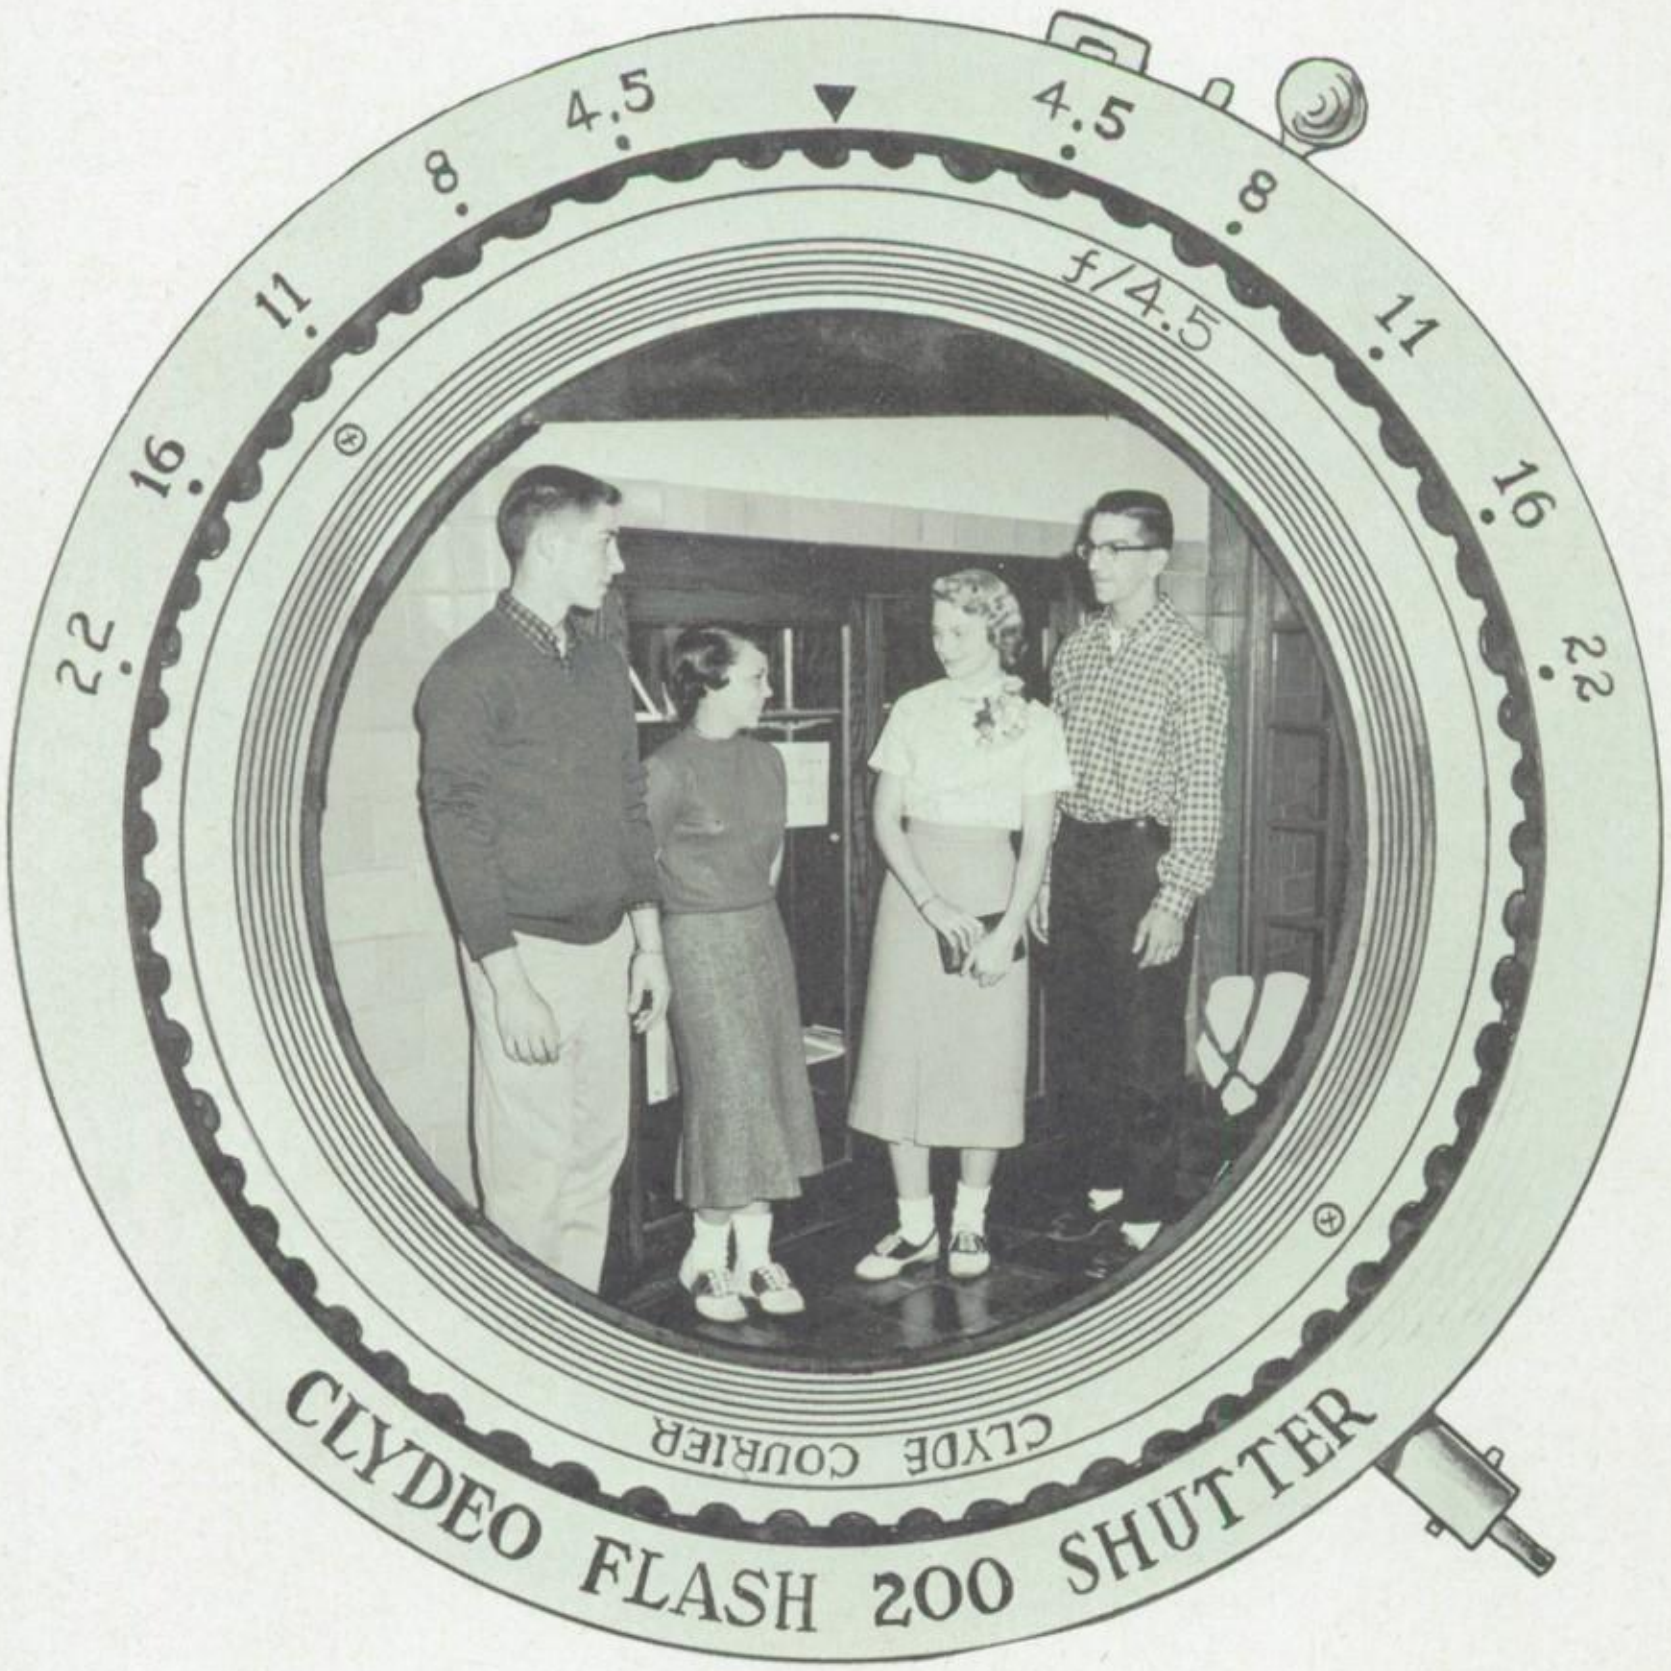
Courier

Clyde High School



Volume IX
Presented by the Senior Class of 1957

Dedication

We, the Senior Class of '57, are proud to dedicate our 1957 Courier to Mr. Paul Koester. Mr. Koester was the founder of the Courier and advisor for eight years. Although he was offered the honor of the dedication innumerable times, he would not accept it while associated with the Courier.

This year Mr. Koester left the Clyde School System to accept a position at his alma mater, Libbey High School in Toledo.

A native of Toledo, Ohio, he attended the University of Toledo where he was a member of the Kappa Delta Pi and Pi Gamma Mu, honorary fraternities. He received his Bachelor of Science degree in Education with social science and history as his majors and Spanish his minor.

He spends his leisure time in collecting semi-classical records, and taking Kodachrome slides of his many travels. He is also very active in Toledo district Scouting and while in Clyde he was the local Senior Scouts advisor.

We of Clyde High School feel that this is but a small token of our appreciation for the wonderful job he has done in the classroom, as well as with the Courier.

Unsung Heroes and Heroines

These people do so much to keep the school operating smoothly and yet they remain quietly in the background. We wonder sometimes how the secretaries can help so many people at one time, how the cafeteria workers can serve so many meals, and how the buildings can be kept in such ship-shape condition. We know it isn't easy.

The Reason the Courier is Here

Seated: Carol Fowler, Barb Berie, Lynne Slessman, Jeanne Smith, LaVaughn Moyer, Carol Perrin, Joie Miller.
Standing: Bob Bowman, editor, Jack Weisheit, Tom Purdham, Mrs. White, advisor.

The COURIER STAFF was increased this year in order to give juniors and sophomores the opportunity to learn some of the processes which are included in the making of a yearbook.

The Senior Staff worked long and faithfully, and although everyone was assigned a department at the beginning of the year, a staff member often was called upon to help in many other phases of the work. Even the uninitiated were soon using with nonchalance such terms as: paste-ups, bleeding, gutter, and blow-ups. Since the staff agreed that they would like individual pictures of the elementary students, many hours were spent in arranging and identifying these hundreds of students. Mr. White planned the layout and art work for the book, while Mrs. White helped coordinate the jobs of the various staff members. Bob Bowman, as editor, was the one who carried out the suggestions of the advisors.

The magazine drive, as always, was the main fund raising campaign. Mr. Daniels obligingly wore a huge mum on the days we hit our quota, and home room teachers were also treated to a mum when their rooms were high for the day. Mr. Salisbury was presented a steak knife set as the result of being high home room, and his students were treated to ice cream.

Credit should be given to Joie Miller, LaVaughn Moyer, Carol Perrin, and Jeanne Smith for the efficient manner in which they carried on the work of arranging all the classes; to Jack Weisheit for his interest in seeing that photos were made of all events; to Carol Fowler for work on layouts; to Ray Hintz for his work as business manager; to Tom Purdham for his work on the sports section; and to Lynne Slessman and Barbara Berie for the many hours they gave in the typing of the copy. Pam Brugger, the one sophomore on the staff, contributed cheerfully and enthusiastically on all art assignments.

The staff hopes that this 1957 Clyde High School Courier will be enjoyed by all students and graduates in the years to come.

They're Flying High

Flying high had a double meaning for the AVIATION CLUB as they cruised at 3500 feet in a United Convair over Clyde and the Lake Erie Islands. On a beautiful Saturday in March, forty-one club members were not only high in the air, but "high" on a pretty stewardess, and two capable pilots of their liner. This was aviation at its very best.

For the year, 30 members flew for their first air trip, two members completed nearly enough time to solo, and many made local trips with the club sponsor. It was a high flying year with a dash of navigation, air traffic, and weather thrown in for fair measure.

Vicki Worcester, Gwen Wolfe, Caren Colvin, Pat Dawley, Barbara Shaffer.

Their Motto is Pep

Fight, team, fight! This familiar cheer has boosted the spirits of old Clyde High many times. These Varsity Cheerleaders, in their striking uniforms, raise the morale of the team as well as the enthusiasm of the school. Vicki Worcester, a senior, has served three years as a varsity member and one as a reserve. Her pep and smile will be missed next year.

Vicki Wise, Janet Gray, Beverly Smith.

Junior Rooters

The RESERVE CHEERLEADERS do much to support the Varsity Cheerleaders. Always full of pep, they lead in cheering the freshmen and reserve teams to victory.

Wizards of Words

The coming of the 1956-57 school year brought many changes in ideas as well as faces. As you may know, the object of a newspaper is to find, get, and print the news. With the changes in faculty, there is bound to be a change in spirt. So it is with this year's student body. Because of this decisive change, the newly developed journalism class under the direction of Miss Hardin, decided that the time was ripe for a school paper. With the help of you, the students, we have made "THE FOCUS" a reality. We of the staff sincerely hope that this tradition which we have started will continue to prosper in the years to come.

THE FUTURE BUSINESS LEADERS OF AMERICA was officially installed as a charter group in 1955 by Clay-Genoa High School. Their advisor was Mrs. John Golembiowski. The F. B. L. A. has since grown into a group of 35 girls striving to be a help to our school and community. Our main interest is our school store in Room 10.

This year our F. B. L. A. sent Barbara Berie, Patricia Meyer, their advisor Mrs. Carothers, and Mrs. Wilbur Meyer to the State Convention in Springfield. It was a very valuable experience.

A Christmas Alumni party was given on December 10. For Christmas, we made a basket for the needy. Regular meetings include movies, speakers, and interesting discussions.

Experts in the Fields

The FUTURE FARMERS OF AMERICA activity has its origin and roots in a definite part of the school curricula—vocational agriculture. The members learn through active participation how to conduct and take part in a public meeting; to speak in public; to buy and sell cooperatively; to solve their own problems; to finance themselves and to assume civic responsibility. The foundation upon which the F.F.A. is built includes leadership, improved agriculture, organized recreation, citizenship and patriotism.

The advisor of the present F.F.A. is Mr. Hastings.

There's No Place Like Home

We are the FUTURE HOMEMAKERS OF AMERICA. We face the future with warm courage and high hope.

The Clyde Future Homemakers of America Chapter is associated with the state and national organization. Their aim has been to build a stronger local chapter.

Some of the girls have received their Junior and Chapter Homemaker degrees. Their activities have included a pre-school picnic, a dance, animal stuffing, a foods demonstration and a style show for their mothers. Summer camp and the state convention are highlights to which they look forward. Miss Werner is the advisor for the girls this year.

Pedagogues of the Future

THE FUTURE TEACHERS OF AMERICA is organized to promote the interest of students toward the teaching profession. The F. T. A. gives members an opportunity to work with children in situations where members may realize potential satisfaction in teaching. It is an opportunity for the members to gain experience that will benefit them later.

With Mr. Daniels as sponsor this year, F. T. A. acts as a service club for the staff and students of the high school.

Although this organization is fairly small, they are busy throughout the year.

Co-Ordinated Kids

The GIRLS' ATHLETIC ASSOCIATION'S main function is to develop sportsmanship among girls in all phases of sports and also to develop skill in each of these. The G. A. A. is an athletic club, therefore there are no social events connected with it.

So far this year the G. A. A. has been invited to numerous schools to participate in the volleyball games. We had a playday here and are planning many more games and another playday.

Patrolmen of the Halls

Keepers of the Books

THE LIBRARY STAFF aid the librarian, Mrs. White, and serve the students of the school by checking books in and out, shelving, helping to locate material, keeping the library neat and attractive. Each task which they learn could be applied to many occupations later in life. This staff make it possible for the students of Clyde High School to have at their finger tips reference material, current periodicals, and good recreational reading.

Grease, Paint & Powder

For the first time in Clyde High School, a NATIONAL THESPIAN SOCIETY has been organized. With a membership of over 200,000 in the United States and Canada, the purpose of the organization is "to establish and advance standards of excellence in all phases of dramatic arts and to create an active and intelligent interest in dramatic arts among boys and girls in high schools."

The charter members of our high school have acquired enough points as actors or crew workers so as to be eligible. We are proud of another "first" in our school this year — thanks to Miss Hardin who is advising the new organization.

In 1956 under the direction of Miss Stacy, Clyde High School formed its own chapter of this society.

The students taken into the Society at the beginning of the second semester were: Diane Dietrich, David Ferrall, Raymond Hintz, Linda Behnke, Sue Kistler, John Peters, Lois Smith, Bob Werth, Gary Bowser, Denise Dietrich, Cheryl Kuns, and Kenneth Welch.

A new club organized this year at Clyde High is the STAMP COLLECTORS CLUB. It meets with Mr. Sarvis every Thursday after school in room 11.

Members bring their collections, show them to the others, and add to them by exchanging duplicates or buying stamps. All matters pertaining to philately are discussed as: types of stamps, condition, relative price values, use of stamp catalogues, mounting procedures, rarities, sources for obtaining stamps, etc. Stamp collectors point with pride to their hobby as, besides learning a great deal about geography, famous people, and governments, their collections increase in value each year.

Our Representatives

The aims of the STUDENT COUNCIL are: to promote good citizenship and student participation in high school activities, and to act as a clearing house for student problems.

Members of the Student Council act as masters of ceremony and ushers at all high school assemblies. Bi-weekly a student-of-the-week is chosen for some outstanding achievement. This year's activities included the Thanksgiving Program, a dance, a skating party, and a trip to Parma High School.

Mr. Crabtree and Mr. Bounds are the sponsors of this select group.

The main goal of the Clyde High School Y-TEENS this year has been to become affiliated with some national organization. We soon hope to become part of Tri-Hi-Y.

Many things have been accomplished such as the annual Christmas Formal, serving food to the football team after games, helping charities, sending representatives to Tri-Hi-Y meetings and having fun. Mrs. Persing was the sponsor this year and she has done a fine job.

The club is open to anyone regardless of race, creed or color. Y-Teens is hoping that if anyone is interested she will join us to share in our fellowship.

Music Maestros

The 1956 CLYDE HIGH SCHOOL BAND under the direction of Mr. Hale numbers seventy six. Many were lost by graduation last year and twenty eight replacements made their way into the ranks during the summer months.

During the first football games the band felt the inexperience of the new members, but by the end of the season the band looked as fine as ever.

The band appeared at the Cleveland Stadium between halves of the Cleveland Browns and Philadelphia Eagles football game December 2. This game was televised and many compliments were received after the performance.

To round out another school year the band will appear at Clyde with the fine Fremont Ross Band, will give some concerts of its own and enter the spring contests, closing the year by marching Decoration Day.

Lords of Lyric

Of thirty-two members of the CHOIR, several have outstanding voices. This group, under the capable direction of Mr. Chidley, has had seven public performances, handling the job quite well.

The accompanist is Donna Watt, student director Arlene Coleman, and assistant student director is Carol Schwan. Soloists with the group are: Donna Watt, Gwen Wolfe, Becky Eshleman, Wayne Bilbrey, Carol Schwan, Hugh Zimmerman, Mari Felter, Nadine Blauvelt, and Judy Krauss. They also have two ensembles; Gwen Wolfe, Becky Eshleman, Arlene Coleman, and Mari Felter making up a quartet, plus Lois Smith, Judy Glumm, Pat Meyer, and Nadine Blauvelt making up an octet.

Hit That Note

The 1956-57 edition of the CHORUS is made of sixty members. We have two accompanists, Mary Schrickel and Beverly Smith. Our student director is Barbara Shaffer, assistant student director is Elaine Armstrong. This group is one of the best young choruses we have had, showing much more versatility and ability than past groups. The group has participated in seven public performances and done quite well in each of them.

New this year is the adding of soloists and ensembles. Some of the soloists are: Elaine Armstrong, soprano, Chuck Mann, baritone, and Jackie Quimby, soprano. We also have a girls' quartet made up of Mary Schrickel, Elaine Armstrong, Fay Slessman, and Kathryn Watt.

The Rembrandts

The Clyde High School ART DEPARTMENT has enlisted this group to handle any and all extra curricular demands in art. They are willing to advise and participate in designing and painting scenery for school plays, lay out and execute posters for other school departments, and plan decorative schemes for classrooms.

The group, advised by Mr. White, represents some of the more artistically inclined students in the high school.

Along Cinder Paths

After having lost thirteen key performers by graduation, the 1957 Clyde High School track and field squad will have to be rebuilt.

The loss of two outstanding hurdlers, two dashmen, two men from the 800 yard relay team, two men from the mile relay team, a shot putter and a discus thrower will be keenly felt as the Fliers begin their practice for the toughest schedule ever faced by a Clyde High School athletic squad.

Speed can be an important factor in the 1957 track and field edition for the Blue and Gold team,—**IF** Roberts, Hunt, Weller, Farrar, Pump, Scheerer, Werth, Bilbrey, and Dagg can come up to expectations.

The distance runners, Long, Pearce, Frederick, Weisheit, Green, Curliss, Ross, and Dick should help give the team real balance.

In the field events, Bolinger, Lynch, Gray, Farrar, Kemper, Nieset, and Fiser can still some of the unwarranted criticism that the Fliers are always weak in these events.

One of the finest groups of freshmen and sophomores ever to come to the varsity squad will be on hand to challenge the 1957 varsity performers.

The Fliers opened with a loss to Fremont Ross which was later erased by the fine performance of the Fliers. The season was marked by the excellent pitching of Bill Weller who averaged better than 2 strikeouts per inning pitched. Gerald Mills led the Fliers hitting attack, followed by Danny Frias, Tom Lynch and Norm Noss who also reached the magic circle of 300 hitters. The Fliers lost a 9 inning thriller to Rossford, 2-1. Across the Field

There was no better way to start a football season than by winning the first game in the closing seconds. After that game our season quieted down. Although we only won three ball games, we feel that the boys did a tremendous job. Even though we didn't win too many, we learned other things such as: sportsmanship, leadership, and co-operation among players. Yet football was not all seriousness, for there were many times we all had a good laugh.

There will be many memories of the 1956 football season. Few will forget Ben Davis making the catch in the end zone, thus beating Anthony Wayne in the final seconds. Another thrill was Dick Hunt's 91 yard kick-off return against Sandusky St. Marys. Yet, still another great moment was Bill Weller's breaking through Fremont St. Joe for 70 yards. These are just a few; there are many more I am sure that you will recall when you open this book 10 years from now.

The school is losing 12 boys this year whom I know we will miss. We wish them good luck.

I would like to thank all the students and players and coaches that helped make my first year here what I think was a success.

Reserve Basketball

The main objective of the RESERVE BASKETBALL TEAM is to prepare and bring forth boys for the varsity team. In the future we'll probably be hearing a lot from three or four of the boys who shaped up exceptionally well this year. The team wound up the season with a 7 win—7 loss record. Considering all aspects, it was a good season.

A successful season which produced many thrilling moments for Flier followers might well sum up the 56-57 basketball season. The play of Norm Noss was exceptional and should place him as one of the finest guards ever to play for Clyde High. Lack of height was the determining factor in five of the Fliers losses. Six boys will be lost through graduation. Next year's team will depend upon the improvement in shooting that can be achieved by the returning lettermen and replacements from this year's reserve squad.

Matmen

Interscholastic WRESTLING was introduced into Clyde's Athletic Program this year with considerable success. Twenty-four boys started and twenty boys finished the season.

Wrestling, as any of the wrestlers will verify, is a rough sport. Not so rough injurywise, but rather on the energy and endurance required to wrestle for six minutes.

Strength is not the only requisite of a wrestler as some may think. Quickness and agility are just as important and a boy must also be a quick thinker.

Wrestling helps a person in various ways: strength, agility, or better control, self-confidence, independence, and sportsmanship qualities.

We had six matches, winning two of them. The schools we competed against were:

Firelands .....2 matches
Huron ..... 2 matches
Sandusky .....1 match
Toledo Clay .....1 match

The home matches were well attended; our highest number of spectators was at the Sandusky match with 175.

Experience is very important and our wrestlers should be hard to beat next year.
